

V MEETING ON DYNAMICS OF SOCIAL AND ECONOMIC SYSTEMS

September 20-25, 2010

Faculty of Economic and business sciences, (www.sea.unisannio.it), Benevento, Italy

FIRST ANNOUNCEMENT AND CALL FOR PAPERS

SCOPE

The Fifth International Workshop on Dynamics of Social and Economical Systems will be held in Benevento (<http://www.comune.benevento.it/cittabenevento/main.php>), Italy, a nice city 70 Km far from Naples, organized by Asociacion Dyses (Argentina, <http://www.dyses.org.ar>), the Dases (Dipartimento di analisi dei sistemi economici e sociali) University of Sannio (Italy), (www.dases.unisannio.it), Istituto Italiano per gli Studi filosofici (www.iisf.it), the Laboratorio de Sistemas Complejos, Facultad de Ingenieria-UBA (Argentina) (<http://laboratorios.fi.uba.ar/lsc/>), and the GECSI, Grupo de Estudio de la Complejidad Social en la Sociedad de la Informacion, Facultad de Ciencias Juridicas y Sociales, Universidad Nacional de La Plata (Argentina). This V Workshop continues the successful activities of the previous ones held in La Plata (1998 and 2001), Mar del Plata (2005) and Pinamar (2009), Argentina.

The primary aim of this meeting is to bring together scientists working on the development of models able to prospect and to evaluate social and economical situations to future. Mathematical techniques include, but are not limited to, temporary series of prediction, time series forecasting, inference procedures, stochastic and/or dynamic systems, modeling of biological systems, optimization, develop of computational and knowledge-model based representations of human, organizational, cultural, and societal structures, uncertainty measures, multicriteria decision methods and any other method able to predict future behavior of these particular systems are welcome. The main purpose is to contribute in the processes of decision-making and to assess socioeconomic decisions. Approaches to the legal frame more adequate to grant peaceful interactions among individuals, societies, countries, as well as, criteria of confidence of prognosis, decision and uncertainty will be also analyzed into the Information Society (IS) and the Knowledge Society (KS) contexts. Scientists from different areas such as mathematics, physics, social sciences, economy, law, biology, informatics, are invited to participate, as well as people working on social inequality, social well fare, collective tendencies, cognition and economy, among others.

Selected papers will be published as Proceedings of the V Dyses Meeting as a special issue in and the JDyses (ISSN 1852-379X) <http://www.dyses.org.ar/IJ-DySES/index.htm>

STEERING COMMITTEE

Massimo Squillante (UniSannio, Italy, Chair), Araceli N. Proto (CIC-FI-UBA, Argentina, co-chair), Pasquale Avella (UniSannio, Italy), Luciano Basile (Università di Napoli "Federico II", Italy), Pasquale De Angelis (Università di Napoli, Parthenope, Italy), Livia D'Apuzzo (Università di Napoli "Federico II", Italy), Nicolino D'Ortona (UniSannio, Italy), Pier Paolo Forte (UniSannio, Italy), Michele Gallo (Università di Napoli "L'Orientale", Italy), Giuseppe Marotta (UniSannio, Italy), Antonio Maturo (Università di Chieti-Pescara "G. D'Annunzio", Italy), Noemí Olivera (UNLP, Argentina), Aldo Ventre (Seconda Università di Napoli, Italy).

INTERNATIONAL ADVISORY COMMITTEE

Marcel Ausloos (Bélgica), Achille Basile (Italy), Christer Carlsson (Finland), Carmen Costea (Rumania), Mario Fedrizzi (Italy), Janos Fodor (Hungary), Serge Galam (France), Janusz Kacprzyck (Poland), Pietro Rostirolla (Italy), Giulia Rotundo (Italy), Roman Slowinski (Poland), Silvana Stefani (Italy), Pietro Terna (Italy), Anna Torriero (Italy).

LOCAL ARRANGEMENTS COMMITTEE

Bice Cavallo (UniSannio, Italy), Enrico Ciavolino (Università del Salento, Italy), Stefano Domenico Cicala (UniSannio, Italy), Luca Cirillo (UniSannio, Italy), Ivano Cocca (UniSannio, Italy), Gabriella Marcarelli (UniSannio, Italy), Francesco Rota (UniSannio, Italy), Concetta Nazzaro (UniSannio, Italy), Biagio Simonetti (UniSannio, Italy), Viviana Ventre (UniSannio, Italy).

INVITED SPEAKERS

Geoff Rodgers (UK), Giulia Rotundo, (Italy), Richard Warren (USA), Emmanuel Haven (UK), Carmen Costea (Romania), Terence Lyons (USA), Juan G Brida (Uruguay), Alejandra Figliola (Argentina), Osvaldo Rosso (Argentina), Miguel Arizmendi (Argentina), Hilda Larrondo (Argentina), Leszek Szybisz (Argentina), Silvia London (Argentina), Cecilia Lagorio (Argentina), Carlos Laciana (Argentina), Luis G Moyano (España), Ezequiel Albano (Argentina), G. Báez (Argentina), Gabriel Baglieto (Argentina), Bert F. (Argentina), Juan Diego Rodriguez (Argentina), Sebastian D. Guala (Argentina), J. R. Iglesias (Brazil), André Martins (Brazil), Benedetto Matarazzo (Italy), M. V. Migueles (Argentina), Claudia Sarris (Argentina), D. R. Parisi (Argentina), Miryam Sassano (Argentina), Marcelo Alves Pereira (Brazil), Ricardo M. Pereira (Italy), Wiston Adrian Risso (Italy), Sergio Rojas (Venezuela), Javier Mauricio Villalba Morales (Bolivia), Damian Zanette (Argentina).

DEADLINES

Abstract Submission June 30, 2010

Abstract Acceptance July 31, 2010

Full Paper submission December 31, 2010

HOW TO REGISTER

To register for the conference "Dyses 2010" should complete the form on this site, make payment of registration as described in the next step, then send an email to dyses2010@unisannio.it enclosing the receipt of payment.

REGISTRATION FEES

Until June 30, 2010

LA Scientists and Scholars	50	Eu
Scientists (no LA)	200	Eu
Enterprises	400	Eu

After June 30, 2010

LA Scientists and Scholars	75	Eu
Scientists (no LA)	300	Eu
Enterprises	600	Eu

Payment is required at the following bank account:

BCC di Flumeri - filiale di Ariano Irpino

IBAN IT 74 L 08553 75650 001000304481

c/c registered to COMITATO "Dyses 2010" FC 92049200626
