

SPATIAL₂

Spatial Data Methods for Environmental and Ecological Processes - 2nd Edition

1-2 September 2011

Baia delle Zagare, Foggia - ITALY

Spatial Data Methods for Environmental and Ecological Processes – 2nd Edition – is the 2011 European Regional Conference of The International Environmetrics Society.

The conference is interdisciplinary (statisticians, agronomists, biologists, ecologists and more are encouraged to attend) and fosters the exchange of experiences between researchers working on spatial and spatio-temporal environmental problems.

Organization

The conference is structured into plenary sessions with general interest contributions and invited speakers, parallel sessions of specific interest and a poster session.

Deadlines

March 1 Title and abstract submission for oral presentations and posters (plain text with no formulas, 200 words maximum)

March 15 Notification of title acceptance

May 15 Short papers submission for oral presentations and posters (max 4 pag.)

June 15 Reviews sent to authors

List of topics

1. Groundwater pollution and hydrology
2. Soil science, site remediation, industrial sites
3. Environmental risk assessment
4. Climatology and meteorology
5. Ecology, conservation and natural resources management
6. Agriculture and biodiversity
7. Sampling designs for natural studies
8. Disease mapping
9. Air quality

For Authors

Short papers of oral presentations and posters, limited to 4 pages length, will be published in the CD "Spatial Data Methods for Environmental and Ecological Processes - 2nd Edition - Proceedings". All the papers must be written in English and respect the MS-Word or Latex publisher instructions available at: www.unifg.it/spatial. Paper submission should be done via the web conference account: www.unifg.it/spatial

Oral presentations

The allotted time is 15 minutes for oral presentations and 5 minutes for discussion. MS-PowerPoint/pdf presentation facilities will be available. Presentation files will have to be made available on a CD-ROM or on a pen drive and can be sent by email in advance to spatial@unifg.it the conference time.

Poster presentations

The posters should include an introduction, objectives, materials and methods, results, discussion, conclusions and references.

The poster should be easily readable from a distance of 1 meter away.

Maximum poster size is 100 cm height by 70 cm width

Authors are expected to be beside their posters during their assigned poster session reception. The poster area will always be accessible during the conference time.

Conference registration

For registration use the online conference registration form: www.unifg.it/spatial

Registration Fees

The registration fees include admission to the conference, the CD of proceedings and transfer from Foggia to Baia delle Zagare (FG).

Registration fees	Up to April 18, 2011	After April 18, 2011
Students	€ 120	€ 170
TIES and SIS Members	€ 120	€ 170
Other	€ 120	€ 170

The International
ENVIRONMETRICS
Society - TIES

Location

The conference will be held in Foggia, in the Aula Magna of the Faculty of Economy and at the Hotel "Baia delle Zagare" (Baia dei Mergoli, Mattinata - FG), Puglia, Italy.

A shuttle bus service will guarantee the transfer from Foggia to the Hotel "Baia delle Zagare" and vice versa.

Accommodation

Prices per day, including breakfast, lunch and dinner:

Double room | € 100

Scientific Committee

Liliane Bel, Agroparistech, France
Barbara Cafarelli, Università di Foggia,
Annamaria Castrignanò, CRA di Bari
Daniela Cocchi, Università di Bologna, **President**
Corrado Crocetta, Università di Foggia
Alessandro Fassò, Università di Bergamo
Giovanna Jona Lasinio, "Università Sapienza di Roma"
Alessio Pollice, Università di Bari "Aldo Moro"
Marian Scott, University of Glasgow, UK

Organizing Committee

Francesca Bruno, Università di Bologna
Barbara Cafarelli, Università di Foggia, **President**
Rosalba Ignaccolo, Università di Torino
Giovanna Jona Lasinio, "Università Sapienza di Roma"
Alessio Pollice, Università di Bari "Aldo Moro"
