

4th HEALTH ECONOMETRICS WORKSHOP

- Location: Padua, Italy
- Venue: University of Padua
- Dates: July 19th-21st, 2014
[Satellite Workshop: July 18th, 2014]

After three successful editions held in Milan (2008), Rome (2010), and Siena (2012), the 4th edition of the Health Econometrics Workshop will take place in Padua, on the next 19th, 20th, 21st of July 2014.

This workshop provides a forum for the dissemination of developments and applications of econometrics to address issues in health economics, analysis of health outcomes, health services research, and policy.

Submission of papers:

Papers for the Workshop will be selected on the basis of full drafts.

Papers should be sent in electronic form to healtheconometrics@crisp-org.it no later than 28th February 2014.

Decisions will be made by the 31st of March 2014.

The detailed programme will be announced by the 7th of April 2014.

The meeting will be structured in a limited number of oral presentations. Each presentation is followed by comments provided by the discussant, and open discussion.

A selection of the papers presented at the Workshop will be published in a special issue of *Journal of the Royal Statistical Society Series A*.
