

## CALL FOR EXTENDED PAPERS

A selection of the papers presented at the conference ITACOSM 2013 will be published in 2014 in a collective book by Springer Verlag, series Contributions to Statistics, Editors P.L.Conti, F.Mecatti, M.G.Ranalli.

Authors who presented high-quality results to the ITACOSM 2013 conference are encouraged to submit the extended version of their manuscripts appeared in the Book of Abstract.

Papers to be considered for publication should not exceed 20 pages and must be submitted by **October 31, 2013**. Papers submitted after that date can not be considered. All submitted paper will be thoroughly peer reviewed by anonymous referees.

There is a limit on the total number of articles that can be published in the collective book of selected papers, however we believe to be able to accommodate the submissions of all authors that are of suitable content and quality.

Please visit <http://www.statistica.unimib.it/itacosm13/> for author's guidelines in preparing the manuscript and submission instructions.

For any questions regarding your publication please [itacosm13@statistica.unimib.it](mailto:itacosm13@statistica.unimib.it)
