

Call for Doctoral and Postdoctoral fellowships at Ecole Polytechnique, ENSAE, HEC

Paris, 16th April 2015

The Labex ECODEC is a research consortium in Economics and Decision Sciences common to three leading French higher education institutions based in the larger Paris area: Ecole Polytechnique, ENSAE and HEC Paris. The Labex Ecodec offers:

- Doctoral fellowships for 2015-2018, for three years or until the end of the third year of the Ph.D. (whatever is shorter);
- One-year fellowships to complete a Ph.D. thesis for 2015-2016;
- Two-year postdoctoral fellowships for 2015-2017.

Candidates are invited to contact as soon as possible members of the research group (see below) with whom they intend to work.

Research groups concerned by the call:

Area 1: Secure Careers in a Global Economy

Area 2: Financial Market Failures and Regulation

Area 3: Product Market Regulation and Consumer Decision-Making

Area 4: Evaluating the Impact of Public Policies and Firms' Decisions

Area 5: New Challenges for New Data

Details of axis can be found on <http://labex-ecodec.fr/>

Deadlines for application:

- Post-doc fellowships: **11th May 2015**. Screening of applications and decisions can be made earlier for strong candidates who need an early decision
- Ph.D. fellowships: **11th May 2015**.

The application should be sent to application@labex-ecodec.fr in pdf. Please mention the area number on which you apply in the sujet. The application package includes:

1. A cover letter with the name of a potential supervisor among the group;
2. A research statement;
3. A letter from the potential supervisor in support of the project;
4. A Curriculum vita (with the address of the candidate, phone and e-mail contact).

In addition, for postdoctoral fellowships:

5. The Ph.D. dissertation or papers/preprint;
6. Reference letters, including one from the PhD advisor. A letter from a member of the research group with whom the candidate is willing to interact will be appreciated.

Selection will be based on excellence and a research project matching the group's research agenda.
