Dear Colleagues,

We are pleased to announce the launching of our new journal "International Journal of Statistics and Systems (IJSS)". We would like to invite you to submit manuscripts of your original papers, for possible publication in IJSS which is peer-reviewed periodical dedicated to the proliferation and dissemination of scholarly research results covering all disciplines and branches of statistics and management systems. Its Editorial Board is comprised of internationally known peers from across the globe. We are proud to have attracted some of global leaders in their respective field. All submissions should be made electronically to the editor-in-chief through:(EIC: [martin@math.ttu.edu](mailto:martin@math.ttu.edu)). More information on the journal, and the publishing process can be obtained at: [www.rippublication.com/ijss.htm](http://www.rippublication.com/ijss.htm).

The "**International Journal of Statistics and Systems (IJSS)**" publishes top-level work to covering all disciplines and branches of statistics and management systems. It will publish original research papers, comprehensive review articles, book-reviews; dissertation abstracts etc. devoted to all theoretical and applicable topics in Statistics, Management Systems and related areas. The journal will be an interdisciplinary journal focusing on statistical issues in systems where the word 'systems' is taken in the broad sense of biological systems, control systems, information systems and more ....

**Frequency:** The first issue of Journal (IJSS) is expected to be launch from the month of April 2005 with four issues in a year.

Beside the printed issues of the IJSS, we plan to publish first year issues of GJPAM as Open access via website and it enables immediate, world-wide, barrier-free, open access to the full text of research articles for the best interests of the scientific community. Although GJPAM, will freely available online to all interested readers in perpetuity, some institutions and many individuals may still like to receive printed journals. IJSS printed copies are available via annual subscription for \$180/ Libraries and \$140/ Individual.

Looking forward to have your active support, revered service and effective consultancy to reach the desired goal.

With Kind Regards,

Clyde Martin, Editor-in-chief  
International Journal of Statistics and Systems
